Kentucky Spring P-EBT Q&A

Who is eligible for Spring P-EBT?

Spring P-EBT is for students

- who are enrolled in K-12 public and private schools between September 2021 and May 2022;
- who receive free or reduced-price meals through the National School Lunch Program; and
- who missed in-person learning at school due to COVID-19 related reasons or had to be on a virtual-only learning schedule due to a COVID-19 related reason for 5 or more consecutive days.

Call 855-306-8959 with other P-EBT questions.
Please do not call until June 1.

How much are P-EBT benefits?

Spring 2022 P-EBT provides \$7.10 to all eligible children in the household for each day that they had to miss school due to a COVID-19 related reason. This covers the amount the child would have received in food at school for breakfast, lunch and a snack. For school students to be eligible, they must already be approved for free and reduced price meals, or must have applied and been approved between September 2021 and May 2022.

How do I access my child's P-EBT?

- If the student has an active SNAP (food benefits) case, the P-EBT funds are issued on the EBT card linked to the child's case.
- If the eligible student is not part of an active SNAP case and has received P-EBT in the past, the reimbursement is issued on that card.
- If the student never received P-EBT, a card will be issued to the student with the benefits pre-loaded.
- Call 855-306-8959 with other P-EBT questions. **Please do not call until June 1.**
